CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

Dear Sir or Madam.

1. I refer to your correspondence a copy of which is attached for your ease of reference. It concerns an alleged planning contravention pursuant to the Town and Country Planning Act 1990 as amended by the Planning and Compensation Act 1991 – Section 17C and a Planning Contravention Notice concerning Land at Crowborough Army Training Camp Uckfield Road, Crowborough TN61UB.

2. Colleagues have investigated the issues raised in your letter and respond as follows:

3. Those at the Sea Cadet Unit have not put up any freestanding masts for CCTV purposes.

4. There is a flagpole cable tied to a drainpipe attached to the building that can be taken down but it is a flagpole, not a CCTV mast. It has been there several years and it is not free standing it is attached to the building and there are no cameras on it. Those who work or volunteer for the Marine Society and Sea Cadets can arrange for it to be taken down as it is attached using cable ties.

This does not correspond with the works listed in the notice. It would therefore seem that this is not a matter for this Organisation.

Yours faithfully

[redacted]
