2. Comments on the Neighbourhood Plan

Please use the space below to tell us your comments on the Neighbourhood Plan. It would be helpful if you can provide reasons and evidence for your comments. Please use additional sheets if necessary.

I think the plan is a comprehensive assessment of Wadhurst, and has identified some key issues. Traffic and parking are important topics, and detract from the appeal of the village and deter new businesses.

I drive to Crowborough and Tunbridge Wells for most of the weekly shopping as they have a wide choice of stores and also competitive prices, but regularly use the Post Office, pharmacy & Petrol station as they are not price sensitive.

The railway station is an important asset, and a good feature that it is away from the village and so spreads the parking concentration (the station car park is always full but difficult to expand), (but also creates journeys for passengers to get there). We do not want developments close to the station as that would start to close the rural gap.

The countryside around Wadhurst must be maintained, but I know this is in the hands of the Planning Dept. which must respect the opinions of the Wadhurst Plan.

Although the plan represents a snapshot of Wadhurst as it is now, ~~it is not clear~~ and extols the virtues of maintaining it as it is, it is not clear as to how it could expand or develop over the next 25 years.

It does not mention ' Gatwick' (as the expansion), but as a lot of planes pass over Wadhurst on their approach flight paths, it should be predicted that this degrades the countryside scenery of the area.
