Having read the Plan we have the following points to raise.

1. Wealden Council is chronically short of parking spaces so why have ESCC and Wealden not funded additional parking at Uplands particularly as it is mostly their vehicles that block the Greyhound car park. There is so much wasted space at Uplands.
2. Why is there no parking sign for the Greyhound car park. We have lived here 6 years and the parking sign has been removed twice in that time. There is still no sign.
3. Parking in St James' Square is an extreme hazard as people park outside the designated lines. There are two crossroads and a pedestrian crossing at the top of Blacksmiths Lane with very inconsiderate parking every day.
4. People park wherever they like on yellow lines, at the bus stop and in St James' Square. There are 7 buses parked in the Square and at the bus stop ever afternoon during term time. This heightens these risks even more

Yours faithfully

John and Valerie O'Dwyer
