2. Comments on the Neighbourhood Plan

Please use the space below to tell us your comments on the Neighbourhood Plan. It would be helpful if you can provide reasons and evidence for your comments. Please use additional sheets if necessary.

The plan is very thorough, well-considered and crafted. Well done to the authors.

- 1) Are there any plans for a ring road to ease through traffic congestion?
- 2) What happened to the plans for the Commemoration Hall redevelopment which had great merit? More car parking provision too.
- 3) Being awarded the "best town in which to live in the UK" is, or should be, a great opportunity for tourism. How many beds are available in the village? Is there a register for Air BNB? Do we have a tourism website?
- 4) If we designate areas for green areas with great views, I think it is important for these to be visible. At the top of the High Street on the left, before the Secret Cellar and Castle Cars industrial unit, the view is completely hidden by a hedge!
- 5) Could shop workers be encouraged to park away from the High Street, thus releasing spaces for customers on the road side?
