Dear Planning Policy Team,

Thank you for your email of 03 July 2026 consulting National Highways regarding the Hailsham Neighbourhood Plan Review Consultation (Regulation 16).

We are concerned about the safety, reliability, and operational efficiency of the Strategic Road Network (SRN), in this case the A27 in the vicinity of the neighbourhood area.

We have reviewed the Plan and supporting documents.

We are satisfied that, if adopted, the Hailsham Neighbourhood Plan would not have an unacceptable impact on the safety, reliability, and/or operational efficiency of the SRN.

Our formal response is **no objection**.

Should you or any others have any queries regarding our response, please contact us via
