Question 3

Do you have any comments regarding the general requirement of 35% affordable housing?

Willingdon and Jevington Parish Council would prefer to see the requirement raised to 40%, but agree a minimum of 35% is suitable. The Parish Council recommend that a proportion of the 1 and 2 bedroom affordable housing units are built as single level accommodation. The Parish Council recommend that affordable homes are provided in every settlement, including the smaller villages.

Question 7

Do you have any other comments you wish to make?

Willingdon and Jevington Parish Council would like to see provision for sheltered housing in every development exceeding (say) 100 properties. The Parish Council also recommend careful consideration is given to public transport links to any affordable housing developments.
