

Addendum to the Authority Monitoring Report (2018/19)

Section 9.0 – Local Plan Policy Indicators

Further to the publication of the Authority Monitoring Report in December 2019 the Council has identified an error. Under paragraph 9.20 Land to the North of Dittons Road (WD/2014/0718/MRM) should have also been included in the list of sites with planning permission. Therefore paragraph 9.20, bullet point 6 has been corrected in this addendum to the following. The schedule below provides amendments that are expressed in the conventional form of strikethrough for deletions and underline for additions of text.

- **SD6 and SD7:** Land at Stone Cross – a large proportion of strategic areas SD6 and SD7 has come forward. There are a number of sites with planning permission which include;
 - WD/2018/1757/MRM – Land at Uplands Farm – 183 (net) dwellings
 - WD/2016/0181/MRM – Land South of Rattle Road – 120 (net) dwellings
 - WD/2016/1629/MRM – The Wells – 276 (net) dwellings
 - WD/2018/0931/MRM – Dittons Nursery – 44 (net) dwellings
 - WD/2014/0718/MRM – Land to the North of Dittons Road – 100 (net) dwellings

Accordingly, ~~623~~723 (net) dwellings have been granted planning permission which is more than the 650 allocated for SD6 and SD7. A total of ~~366~~466 (net) dwellings have been completed as of 31 March 2019.

The above updates have no further implications for the remaining part of the Council's AMR (2018/19).
