Declaration:	I consider the proposed modification will assist the submitted Core Strategy to be found sound ☒ /unsound ☐ (*place a cross in the box to show which option you have chosen) for the following reasons:

Reasons Given:	The University of Brighton made representations to the Core Strategy and were pleased to be invited to participate at the Examination in Public on 24 January 2012 when Matter 8 was discussed. The Proposed Modifications address the matters we raised at the EIP. We support the clarification provided on the development proposed for SD4 (Land south of Polegate) and the proposed modification relating to the indication of delivery, and that this will be related the provision of infrastructure, rather than being related to a date (2019 in the case of SD4). In particular, there may be scope to provide some development at Polegate before 2019 subject to demonstarting required infrastructure needs can be met, and this will help to meet the need for housing and other development in the District.

If this is a new matter that you have raised please complete the following
