Re: Planning inspectors interim findings/choice of word.

Wealden Housing Issue.
having received an updated report re planning /building of houses on Hindsland/Morning Mill Farm I agree that there is an" ambiguity" in the use of the word "around" and as a local resident I agree /insist that the word "maximum" should be used instead.
Bear in mind as residents of the local area we have been asked for our opinion- so here it is.
It has been my/and a lot of other peoples experience that when local topics are raised on issues like this that individuals do not respond because the local authority has already made up its mind.This cannot be good for either groups (residents/council)
Anew road was built to relieve the traffic congestion along the Willingdon Road and now you are going to compound the problem yet again.Are you lot mad?
We should also keep this area of land as a lung between Polegate/Willingdon.
Perhaps whoever buys these houses should be restricted to 1 car per household.
