Reasons Given:	The modifications proposed by the Inspector make very good sense and help to make the Core Strategy sound. They appear entirely in line with the subsequently-published NPPF. The removal of the proposal to develop a new strategic housing site within the High Weald AONB around Heathfield (SDA11) and the removal of the proposal to include a reserve site within the High Weald AONB at Crowborough are both very welcome. Removing these proposals for major housing development within the AONB is entirely in accord with NPPF paragraph 115.

If this is a new matter that you have raised please complete the following

I wish ☐ / do not wish ☐ (*place a cross in the box to show which option you have chosen) for this matter to be heard in front of the Inspector
