PETER BAUER
Re: Hindsland/Morning Mills Farm Development

Dear Sir or Madam

I am writing to echo the concern of local councillors over the ambiguity of the word "around" in relation to the proposed number of new houses at the above site. I ask that this be amended to "maximum" as a means of clarifying the Council's intention. The ambiguity of the word "around" is clearly unhelpful.

Yours faithfully

Peter Bauer

Dear LDF Team

Thank you for your response. Would you please forward my comments for consideration by the Inspector.

I would also add my concerns about the effects on the infrastructure, not just locally but throughout the south-east, of continued large-scale housing development.

Thank you
