UCKFIELD
EAST SUSSEX.

22 ND APRIL 2012

REF: RIDGEWOOD FARM DEVELOPMENT

Dear Mr Carvey

I would like to express my concern with regard to the above development and indeed any more substantial developments in the Uckfield/Ridgewood area, it cannot be overlooked that current facilities ie: water - sewage - Community College - Parking - Doctors; increased traffic to name a few are barely adequate for the current Populas and further

P.T.O

Building increase would dimish facilities and effect everybody.

Yours Sincerely

[redacted]

T. B. PIMLEY.
