HEAD OF PLANNING.

Lots of residents are against the building of more houses in Polegate because.

1 We need more schools which you are not building.

2 Another Doctors Surgery and Doctors to man it.

3 And the Parking in Polegate is beyond belief, you have been this and you are turning a blind eye.

Finally.

The recommendations you are trying to put forward for HINDSLAND/MORNING HILLS FARM. The wording is very Crafty so don't treat us as stupid. We would like it to read. MAXIMUM
