MM	**WS 4 Page 29 WCS4** **SD4 Land at South Polegate should be amended to 'land South of Polegate and East of the A2270 Willingdon'** **SDA4 'around' should be amended to 'maximum of'**
(Please add numeric reference e.g. MM22 or Wealden District Council/ South Downs National Park Authority modification WS e.g. WS 23)	

Declaration:	I consider the proposed modification will assist the submitted Core Strategy to be found sound ☐ /unsound ☒ (*place a cross in the box to show which option you have chosen) for the following reasons:

Reasons Given:	Because Willingdon is consistently left out and the local residents/electorate do not understand that most of the proposed houses will in fact be in Willingdon. The word 'around' is too open ended. We cannot sustain 700 houses, let alone more than this amount. It therefore needs to state quite clearly a maximum. It has still not been clearly identified that there is a need in this area for 700 houses. Where are these people going to work and where are they going to come from? It will be a sad day when Willingdon is concreted over for the sake of a numbers game.

If this is a new matter that you have raised please complete the following
