- ☐ Rule 6 (6)

What kind of representation are you making?

- ☐ Final Comments
- ☐ Proof of Evidence
- ☐ Statement
- ☐ Statement of Common Ground
- ☑ Interested Party/Person Correspondence
- ☐ Other

YOUR COMMENTS ON THE CASE

What is the point of building more new houses when what are being built are not being sold because people cannot afford them even if they are supposed be affordable. We do not have the infrastructure to cope e.g doctors (impossible to get an appointment now) Dentist (No NHS dentists in Uckfield), Traffic is bad in Uckfield now without adding more cars to the situation. Parking is bad with no one controlling it everyone is parking on double yellow lines. Lack of decent shops etc. this is just some of the problems building yet more houses with only make matters worse. The water and the sewage situation will be made a lot worse and more sewage will be pumped in the river affecting wild life.
Please consider: 1000's of additional cars travelling through Snatts Road to the new carpark
Water shortages
Flooding
Impact to the environment (lake wood is a peat fed lake, ancient woodland home to rare bats, woodpeckers, dormice etc)
