YOUR COMMENTS ON THE CASE

I live on West Park estate which backs onto Lake wood.

Lakewood and the surrounding area is very important to myself and family as we moved into the area for the nature reserve and beautiful space around our home. We walk our dog in this area most days and spend many hours in the woodlands with our young kids enjoying the woodlands.

To see this ruined for more housing would be crime.

Along with my concerns around loosing the beautiful woodlands and nature in this area I'm not of the opinion that Uckfield has the capacity for additional housing with the local infrastructure and schools as it stands. Traffic is already an issue in our small town.
