YOUR COMMENTS ON THE CASE

I am the owner of [redacted] where I,my wife [redacted] & family, haved lived since September 1971(over 51 years .I strongly object to the Appeal made reference 3321978 which seeks to deny the rejection of this application by Wealden District Council.This site is made up of fields formed from old grass meadows,surrounded by irreplaceable ancient ghyll woodland including rare wet woodland & Mesolithic rock outcrops This is the habitat for over 100 species of birds,14 species of dragonfly & over 150 different moths & butterflies.It is also home to the endangered hazel dor,bats,rare invertebrates ,reptiles & amphibians.Add the network of ghylls conjoined with Shortbridge Stream(endangered European Eels,part of the Streatfield Estate which makes this land so unique
