YOUR COMMENTS ON THE CASE

This urbanization of our beautiful rural environment must be stopped I moved to Ridgewood a village near the market town of Uckfield 40 years ago to escape from the sprawl of Crawley New Town, Quite quickly the village was absorbed into Uckfield Town so we moved to Maresfield Village to escape over development, we are now facing the same diabolical situation here in our village as more housing and development threatens our rural village life. But this latest proposal really is MANY STEPS too far the local infrastructure CAN not absorb this size of additional housing 424 houses equates to another 2000 inhabitants, 1500 more cars on our already saturated road system, the infrastructure just can not cope, schools, NHS, Roads, Parking, I have just lost my NHS dentist I'm Uckfield and can not find another one. Come on planning wake-up this just isn't plausible and will destroy our environment ☐☐
