**YOUR COMMENTS ON THE CASE**

I am writing to object to the development on Downlands Farm which has been worrying me since it started again a few years ago. I love this place and my family walks around it regularly admiring the nature, plants and animals which flourish here. I often see rare birds and animals here as well as enjoying bluebells and orchids in springtime. I hope that the people responsible for deciding the future of this site realise how special it is to all of us, especially children like myself who will be deprived of a beautiful natural resource if it is ever developed. Uckfield needs its green spaces and wildlife to thrive and remain a feature of our town. Please don't build on this precious site, thank you. Robin age 8.
