YOUR COMMENTS ON THE CASE

I lived on Snatts road for many years and my children live there still. This wonderful open space holds many happy memories as we walked their most weekends observing all the wildlife and plants that abound. The proposed development of this site will put an end to this, introduce increased levels of traffic through Snatts road and directly impact the well-being of my family who rely on this wonderful space. The development will impact biodiversity at a time when we should be safe-guarding it.
