YOUR COMMENTS ON THE CASE

I'm now 76yrs old but I still have fond memories of walking with my grandchildren and dogs in this area [we called it the big bunnies] because we have never seen such large rabbits anywhere else. I scattered my parents in laws ashes in this area because they loved it so much even though they lived in Hertfordshire. It would be a travesty if beautiful area was built on, so I strongly object to anything destroying this fantastic area.
