YOUR COMMENTS ON THE CASE

I would strongly urge to protect this ancient piece of land whichis an integral part of Uckfield's history. It is much cherished by the local community and by those visiting from further afield. It has an abundance of wildlife and offers tranquiity to all those who visit it. Our lovely town of Uckfield in which we have been resident for 39 years is in danger of losing it's identity as the infrastructure of the town is simply not coping with the increased housing. The roads are becoming increasingly congested and frequently become blocked. Adding another 424 homes, all needing to access the A22 directly and all our local amenities is just not going to work. Please do not allow this incredibly valuable space to be taken away from us !!!
