YOUR COMMENTS ON THE CASE

So dissapointed to see more land being built on, taking it away from the local wildlife. We have enjoyed the area of woodlands, fields and the lake for many years as a family. My children having grown up in the area we wish to keep it preserved so our grandchildren may enjoy it in the same way. The building of houses so close to Lake Wood will disturb the birds and all wildlife in the area. Close by down the A22 there is land which has been given permission to be built on (another former farm) which is yet to be built on and there is plenty of land further down the A22 which may be used for development.
Just to add there are no NHS dentists in the area which will not be useful for any new families joining the town, plus additional strain on the local doctors surgeries.
