YOUR COMMENTS ON THE CASE

I object to this development. Snatts Road and the surrounding roads are too narrow to take the increase in traffic. The town centre already often gets gridlocked at times and the increase traffic would only add to this. Uckfield town does not have the infrastructure in place for any more housing developments. The ancient woodland needs to be protected not removed.
Uckfield town has been inundated with new housing developments lately, we do not need anymore houses especially when new houses already been built have not be sold.
