**YOUR COMMENTS ON THE CASE**

Having lived in Maresfield since 2008, we have become increasingly aware of the very special nature of Ashdown forest and surrounding areas. Downlands Farm between Maresfield and Uckfield is a good example of such an important area which is under threat from development.
For all the reasons which have been put to you by many local organisations and other interested parties, we object most strongly to the planning application for up to 424 homes on the Downlands Farm site
Yours sincerely
