YOUR COMMENTS ON THE CASE

I object to the proposed development for all of the following reasons:-
The huge environmental impact on such a beautiful area of countryside.
The lack of road infrastructure and impact of all the additional traffic on both London Road and Snatts Road.
The number of huge developments already under construction in the area.
The complete lack of medical facilities and schools to facilitate such a large number of new people moving into the area.
There are a lot of properties available already in Uckfield, as a resident living near the proposed development I feel that it is neither needed or wanted by the people of Uckfield.
