YOUR COMMENTS ON THE CASE

I have lived in Uckfield for 10 years and am appalled how anyone can think developing any land in the area is a good idea. The town cannot cope with the Traffic / People as it is !! I have to walk into town as If i try to drive it can take 15 mins when I only live a short distance away as the town is not equipped for any volume of traffic !! Now you want to build more homes in an area of natural beauty that is needed for the residents, a place to go and relax and enjoy nature to escape the stresses and strain of modern life. This is NOT an area that needs new homes at the loss of our Green Space . I owe my life to being to walk and enjoy this area as I was Suicidal some time ago and being in Nature helped me to get back on track.
