YOUR COMMENTS ON THE CASE

Environment:
Please don’t take away anymore of our natural countryside -I am concerned environmentally as there is so much wildlife in the area. Where would there new habitats be found?

Enjoyment:
There are many people who walk to the lake on a countryside pathway, either just for a walk or with their dogs. This would disappear, taking away a natural and popular area for walking.

Danger:
Increased local traffic with no infrastructure (lack of pavements where extra traffic would be using Snatts Road would add to what is already a dangerous road, especially as I use a mobility scooter)
