YOUR COMMENTS ON THE CASE

Dear sir
Having had the leaflet through our door , about the proposed 424 houses , and the proposal going to appeal we would like to raise our concerns .
Too many houses being built on green spaces.
Nature is so important at these places, as so many species are at their natural habitat. Excess of traffic on roads, no provisions for dentists, doctors schools. These are all over populated already. New Road won't be built so all the traffic , will go on existing ones. It's an absolute atrocity that it can even be considered. Such areas of natural beauty , dug up and houses put up, that no one could afford.
Money needs to be spent on rehoming homeless people and charities not building 424 houses., to fill the pocket of some landowner
