YOUR COMMENTS ON THE CASE

I registered my concerns about the impact to the environment, concerns about traffic in Snatts Road and concerns about safe walking routes to the town from the proposed development at Downsland Farm when the application was sent to Wealden. I now have further concerns about increased development in the Wealden area due to the water issues which have been faced by nearby communities and indeed the hose pipe ban that is now in place. I hope that the appeal will uphold the decision made locally and refuse permission for this development.
