YOUR COMMENTS ON THE CASE

This application is again completely absurd. Uckield cannot cope with any more houses. The schools, Drs and dentist are already full. Roads locally are in terrible condition and congested. More vehicles can only make matters worse. Water is already running out in Sussex and more houses will only compel this situation .
Downlands Farm holds much wildlife and ancient woodland that needs protecting at all cost. Environmentally this would be a disaster .
Uckfield used to be a lovely small town to live in, this has already changed with housing that has been built. Uckfield needs NO more houses
