YOUR COMMENTS ON THE CASE

I am visiting my parents who have lived in Uckfield for over 20 years. Every time I come here, the volume of traffic through the town seems to have increased. I enjoy walking through Lake Wood and West Park, and as my parents previously lived in Hunters Way, I know this area well. The beautiful trees and wildlife have always brought joy to our family and we are dismayed to think that this precious resource will be lost to development. Once it is lost, it will never be recovered. The whole character of Uckfield has changed in the 20 years I have known it, and nature seems under siege. Please reject this appeal for the sake of wildlife, and for our physical and mental well-being, now and in the future.
