YOUR COMMENTS ON THE CASE

I understand there is an sssi application lodged with natural England of this surrounding area of beauty, this is my first priority of appeal ! I live in a grade 11 listed house built in 1500s and are included within the SSS1! We live with surrounding woodland , I have lived in Uckfield for 50 years and live at views wood before and we're lucky to be next to the woodlands there , growing up amongst dear wewatched our town grow but now you are are trying to ruin ancient woodland not to mention the infrastructure of south east water who I know have plenty of water in the reservoir but they can't pump out more water to houses so to build more will cause more problems. This doesn't include the sewage system that will need addressing. Our doctors surgeries and school are to full capacity as well as our small supermarket! want to support our town
