YOUR COMMENTS ON THE CASE

I am the parent of [redacted] who resides in Snatts Rd. I am a regular visitor and take many walks in the field that is under appeal. In my view this development would impact the natural wild life, the houses would be too close to Lake Wood, an area of outstanding beauty and once again green space for the recreation of local families is being reduced. Local water supply is already under duress and further housing can only make this situation worse. Unless a new reservoir is built immediately, the building of new homes in the area should not be allowed.
