YOUR COMMENTS ON THE CASE

This is ancient woodland and tearing it down would have a terrible impact on Lake Wood nearby. Snatts Road is also v busy with traffic - school runs are a pain to get through the end of Snatts Road nr Ringles Cross due to parked cars making it a single lane; I personally have lost 3 cats to Snatts Road by the cemetery and I know of many more people who have done too so more traffic is not very appealing

Lastly, we already have the Ridgewood development that isn't even complete and we just had the massive one up near New Road. We don't want or need any more housing estates especially not on established woodland - we are destroying our heritage and it does not grow back overnight, it takes hundreds and thousands of years, decimated in a matter of weeks for the greed of a property developer who doesn't deal with the impact of what they're doing
