YOUR COMMENTS ON THE CASE

I can’t believe we are planning to build more houses in an area where we already have water shortages, access is limited and the development will cause more traffic on roads that can’t cope with them. Uckfield doesn’t need more houses as the ones that have already been built are not all selling and there are many more already agreed, so let’s stop giving more planning permission until all that have already been agreed are built and sold. We don’t have the infrastructure to support more houses, doctors, schools, etc.
