YOUR COMMENTS ON THE CASE

The building of so many houses in this land would be catastrophic to the local wildlife, and detrimental to the lives of the local people. There are not enough doctors/dentists/schools for the current inhabitants, let alone hundreds more. Snatts Road is already used as a high speed cut through and is very dangerous, more cars using that or the bypass would add to the already horrendous traffic problems. When will the council put the lives of its local inhabitants and wildlife above profit. This was rejected for a reason and the appeal should be rejected too.
