YOUR COMMENTS ON THE CASE

Please reconsider your plans to build on this outstandingly beautiful area. Open your eyes and see for yourselves what you are intending to concrete over.
The Uckfield area has been the victim of development. We have endured the building of houses , green areas have gone forever, they are impossible to replace. - please think of what you are doing.
Have you sold the houses the houses you have already built.?
Obviously this is solely a financial issue. Please think again and build on a brown area . We should all be allowed to view the beautiful area and ancient trees. .
