YOUR COMMENTS ON THE CASE

When I first visited Lake Wood and the meadows beyond I was struck by how unspoilt and unique this area was and was horrified to hear of the proposed building project. I am aware that it was stated in the owner's will that profits from the building project should be given to charity but I do not believe that this justifies the direct and indirect harm and deterioration that this development will cause to the ancient woodlands and the wildlife species of the area. Also, the doctors' surgeries and schools are already overloaded and we do not need further new houses in Uckfield.
