YOUR COMMENTS ON THE CASE

Why are we having to oppose this planning proposal again, it has already been rejected
This is an area of natural beauty and is very close to a nature reserve and lake wood which
Provide habitats for numerous animals and insects. Building yet another 400+ houses here
Would be a travesty and in no way give any positives to Uckfield or it's residents. There is no new
Infrastructure for Uckfield or the surrounding villages net alone new Schools or Doctors or Dentists.
The secondary school is already oversubscribed. Uckfield has already had over its quota of new
buildings being built and it is completely changing the dynamics of the town as it is. With the addition
of
Another 1000 + people that this planning would attract it only going to get worse. Surely there is a
point at which we have to
Say enough is enough.
