YOUR COMMENTS ON THE CASE

Comments against building work.
Will destroy local natural land and the wildlife habitants.
Will cause continual disruption to Uckfield town and surrounding area as the road systems will be inadequate to deal with the extra traffic from the new housing estate.
There are not enough local shops, services and schools for cater for this development, the local area is already struggling to cater for the existing dwellings.
Having this countryside space helps ease peoples mental conditions and/or prevents them as we all value green space and not housing profiteers.
Emergency services will struggle to cover these extra developments
