Hi Josh,

Just to say that's not strictly what Jo and I said. Feedback was that heritage officers are advisors to the case officer and that they wouldn't be engaging directly with you, other than on paid pre-apps or where its practical to do so in the interests of the planning application. So, you don't have an automatic in with Heather on this one and you don't always get a meeting, but any queries you have should be addressed through the Claire.

In the first instance reach out to Claire with your queries and she will advise from there on.

Thanks, Sam

Afternoon Claire,

Following your Officer's Heritage consultation response we have sought to engage with her to discuss this and the further assessment required.
I had not appreciated that I should go through you to arrange this, however Jo Tucker / Sam suggested I should do in this afternoon's Agent's forum and you can facilitate a meeting (which you may wish to attend).

Would you please be able to assist in organising a meeting between ourselves and Heather as soon as practical.

Thanks

Joshua Mellor

Dear Heather,
I am emailing you in response to your recent consultation response (attached) in respect of the above site.
We have reviewed your comments and note your concerns in respect of the impact of the scheme on several heritage assets, as well as the request for additional information. I would therefore be grateful if we could arrange a meeting to discuss the identified heritage issues and the way forward in terms of the approach to addressing your concerns. Please could you indicate your forward availability for a Teams meeting or in-person meeting with myself and the Planner, Joshua Mellor.
Kind regards
Eddy
