Good afternoon Thandi,

In response to the comments of the Conservation Officer please find attached Heritage Addendum which provides the additional information requested to further consider the potential heritage implications of the proposed development. As detailed in the note, it is concluded there is no change from the conclusions of the Heritage Assessment submitted with the application and the proposed development does not result in harm to any designated heritage assets other than the Maresfield Conservation Area, as identified in the Assessment.

Also – would you be able to confirm the EOT until the end of Jan is agreed?

Kind Regards

Joshua Mellor
Planning Associate Director
