Planning Application WD/2021/2198/MAO Land at Bird-in-Eye Farm, south of Bird-in-Eye Farm, Uckfield

I write further to your e-mail of 1 October 2021 regarding the above planning application and I would have the following comments.

As shown on the map below, the legal line of public footpath Framfield 65b runs just inside the southern boundary of the southern part of the application site.

From the plans attached to this application, it would appear that this area of the site is not proposed for development in this phase of the application, so I would therefore have **no objection** to this application on rights of way grounds.

I am happy to discuss this matter further or to meet on site with yourself and/or the agents if required.

Graham Kean
Engineer and Countryside Officer
