### **ADDENDUM TO CONSULTATION STATEMENT: CONSULTEES**

### **NOVEMBER 2023**

---

Further to submission of the Horam Neighbourhood Plan Wealden District Council (WDC) has requested confirmation of the organisations contacted at the Regulation 14 stage as listed in Volume 5a of the Consultation Statement.

The High Weald AONB unit has been incorrectly omitted from the list presented in the consultation statement and, by way of this addendum, it can be confirmed that they were contacted.

WDC has also asked whether Mayfield and Five Ashes Parish Council were contacted at the Regulation 14 stage. It is confirmed that they were contacted, as per the list in Volume 5a of the Consultation Statement.
