Dear Cllr Millward,

Thank you for your email of 2 October about Southern Water and for your invitation to meet.

The Environment Agency (EA) has welcomed the opportunity to engage with Local Authorities from across the Southern Water operating area in one cohesive and solution focused group. The local EA Area Director, Simon Moody attended an EA focused meeting of the Forum in late 2023, with OFWAT attending a similar session soon afterwards. Both organisations provided additional information following those meetings and continue to commit to work with the Forum on issues of common interest going forward.

If you would like to discuss this matter further, please email the EA contact dawn.theaker@environment-agency.gov.uk. Alternatively, please email the local EA teams at:SE.SSDCorrespondence@environment-agency.gov.uk and KSLExecCorres@environment-agency.gov.uk.

Thank you for taking the time to write about this issue.

Yours sincerely,

EMMA HARDY MP
