12th December 2011

Dear Lynette,

Further to the exploratory meeting, the guidelines of additional comments allowed and communications with Lynette Benton, I enclose some additional points in respect of the Polegate area that Polegate Town Council resolved to make regarding the public examination of the Core Strategy.

Matter 3
a) Does the overall scale and distribution of housing provision accord with the requirements of the South East Plan (SEP) having regard to policies relating to infrastructure and the environment as well as those for housing?
Polegate Town Council considers that the balance of housing spread in the North and South is uneven in terms of there being a higher proportion in the south. The council consider that a more even spread would be desirable to alleviate some of the road, infrastructure and environmental issues.

Yours sincerely

J.Ognjanović
