Dear Ms Benton,

Matter 8

d) & f)

SD4 had been deleted in the Wealden District Council local plan review in 2005, one of the reasons was due to the issues of the transport infrastructure. The A2270 Eastbourne Road has remained the same for many decades and has not had any major works carried out or even planned. It was not deliverable in 2005, and there is no evidence that an adequate assessment been carried out, indicating that this could be deliverable now unless there is a reduction in car use.

Yours sincerely,

Daniel Shing Councillor of East Sussex County Council, Wealden District Council and Polegate Town Council
