ELECTRIC VEHICLE CHARGING AND PARKING

36.2 In respect of electric vehicles in the parking place:-

(a) Any person utilising an electric vehicle charging point situated within any car park within this order MUST adhere to the regulations of the car park whilst the vehicle is being re-charged and occupying a bay reserved for re-charging purposes.
(b) Once an electric vehicle has been charged the vehicle must be moved to any other bay without a re-charger to make the charging facility available to other electric vehicle users
(c) Parking bays with an electric vehicle charger are for use by electric vehicles only for the purposes of re-charging.
(d) No electric vehicle may park in a bay with an electric vehicle charging point unless it is being re-charged.
(e) If a vehicle is parked within an electric vehicle charging point and is not being re-charged it will be subject to an Excess Charge Notice under Article 21 of this Order.
