Dear Marina Brigginshaw,

I have read your email and find the language you use in describing your subject matter to be totally baffling. May I invite your attention to the website www.plainenglish.co.uk which describes its purpose as follows “Plain English Campaign is an independent group fighting for plain English in public communication. We oppose gobbledygook, jargon and legalese”.
I don’t have the time or inclination to spend trying to understand the subject matter and researching the Plan, Core Strategy Local Plan Policy WCS8 , Issues and Options Consultation Paper or the Representation procedure and a simply worded summation of what you are seeking would have been welcome. Please remove my name from your consultation group.
If you find you receive a poor response to your request it may be that other potential respondents feel as I do!

Yours sincerely,

Gordon Thomas
